
JOHN AND MARTHA MITCHELL — "HE'S THE GREATEST," SHE SAYS.

ON JOHN MITCHELL

"As I've often said, 'He's the greatest man living.' My husband is smart. He's charmin'. He has wit, personality. Everytime he goes out people just love him."
--Martha Mitchell in an interview over station KATV, Little Rock, Ark.

"I can't resist passing on a Wall Street lawyer's description of Mr. Nixon's chief confidant, Attorney General John Mitchell. 'When you first meet him he may seem cold on the surface--but when you get to know him better you realize that's only the tip of the iceberg.' "--Anthony Howard in The New Statesman.
